...the natural way of growing!

Organic Flower & Vegetable Soil

Approved by Pro-Cert Organic Systems (Equivalent to OMRI in USA). All natural ingredients to grow beautiful flowers and delicious vegetables. Conditions the soil, promotes moisture and nutrient retention.

30 L / 27 qt / 1 cu.ft.

Organic Moisture Soil

Approved by Pro-Cert Organic Systems. All natural ingredients containing a water reserve material that releases moisture to plant roots over time. Organic fertilizer provides nutrients to the plants and vegetables for over 3 months.

30 L / 27 qt / 1 cu.ft.

Organic Seed & Herb Soil

Approved by Pro-Cert Organic Systems. The perfect natural growing blend to start seeds and grow herb and other small plants. Enhanced with perlite and vermiculite for good aeration and drainage.

10 L / 9 qt

Professional Growing Media for the passionate gardener!

Organic Grower Mix

All-purpose growing medium based on highly fibrous peat moss, limestone, wetting agent and organic fertilizer. Specially formulated for the planting and re-potting of houseplants, containers and bedding plants.

80 L / 2.8 cu.ft.

PREMIUM

ASB Greenworld

has remained a leading provider in the manufacturing and distribution of garden care products since 1958.
